## ACC History Now Available!

“Glimpses of the Past” recounts the Athens Country Club’s founding and chronicles both the sporting and social life of the Club from 1921 into the 1950s. The account also includes profiles of founding members, course architects, golf professionals, caterers, and champions, as well as descriptions of the original clubhouse, rebuilding after the fire, golf course development, and notable golf exhibitions.

At 379 pages (275 of text and photos) and printed privately, copies of this history are available in the Club office, either to borrow or to own.

Author Nancy Rue offers this history at no cost to Club members interested in details of the Club’s past. In lieu of a purchase price, she suggests members support the Dow and Linda Finsterwald Sports Management Scholarship at Ohio University. Gifts for this fund may be sent to The Ohio University Foundation, P.O. Box 869, Athens, OH 45701.

delicious. Some decisions were made regarding the locker room renovation. Thanks to Pat Stobbart and her committee for all of the work to date! It's looking fresh and bright!

## Jon Miller: A Fond Farewell

On April 28, ACC hosted a BBQ Blastoff to say farewell to Jon Miller, our chef and friend for more than five years! He is going home to New Philadelphia to help his family.

We enjoyed some of Jon's favorite foods, as he prepared a BBQ feast. It was yuuuumy! Thanks to everyone who came out to say goodbye and contributed to his farewell gift!

## Christina Warner: A Happy Hello!

Christina Warner will be the new chef, as well as handling all of your dining needs. She graduated in 2012 from Asheville-Buncombe Technical Community College with an A.A.S. in Culinary Technologies. Being raised outside of Asheville, NC, for most of her life, her influences are mainly Appalachian, but she also enjoys the simplicity and creativity of Asian cuisine, mostly focusing on Japanese and Thai.

Christina is a single mother of an 8-year-old son, Jaxon, and enjoys spending time outdoors with him. She enjoys milling around in her flower gardens, good food, and fishing. Her hopes for the club are to make the dining experience one that you will never forget, and looks forward to hearing all critiques and praises that you might have to offer.

### Paul and Kate Mass

arrived in Athens in July 2016 from San Diego, California when Paul accepted a position as the “Entrepreneur-in-Residence” and Director of Ohio University’s Center for Entrepreneurship. Paul hopes to help build the local entrepreneurial ecosystem supporting student, faculty, and local entrepreneurs.

Paul has had a diverse career beginning as a corporate attorney and continuing on as a successful entrepreneur and business executive. He is hoping to rebuild his golf game. He grew up playing golf competitively through high school, but hasn’t been able to play regularly since.

Kate is a professional artist and art therapist. Her mixed media abstract collages have been shown at the Athens Library and at Paper Circle in Nelsonville. She also runs Creative Retreat, a group for women interested in rediscovering their creativity, and is hoping to build an art therapy practice.. Kate is an avid reader, gardener and swimmer. She is happy to be living in Athens, although it is a big change from the city life of Atlanta and San Diego.

Paul and Kate have two children, both in the entertainment industry. Sarah, 25, is a professional actor in Boston. Lindsay, 29, is a talent agent with DPN Talent in Beverly Hills.

**Garrett Facemyer** is 29 years old and originally from Charleston, WV. He is a graduate student at Ohio University in the Math department. He has been playing golf since he was 5 and was previously a member of Green Hills Country Club in Ravenswood, WV, before moving here.

**Jeff & Stephanie Wood** had their wedding reception at ACC 25 years ago! Jeff is President of Don Wood Automotive with locations in Athens and Logan and a Polaris ATV dealership. Stephanie is a realtor with Ohio Realty. They have three children: Tanner, 23, is graduating in June with a Master of Business Administration Degree. Madison, 20, just completed her sophomore year at Capital University. And Wyatt, 15, is a sophomore at Athens HS. They like traveling, auto racing, motorcycles, hockey, baseball, running, CrossFit, interior design, reading, spending time with friends and family, and of course, golf!

**Jim Bloom** is back as a member! He is a graduate of OU in 1972 and 1979, and is a business partner in ownership and operation of Sole and Bloom Realtors and Diversified Properties of Athens, LLC.

**Terry Efaw** is a native Athenian, having spent his childhood and early adult life here before relocating to Columbus to pursue a career as a professional musician. Five years ago, he and his wife Polly decided to move to Hocking Hills, near Laurelville. While he still works as a performing musician with McGuffey Lane—a group he co-founded many years ago—and as a solo guitarist, he looks forward to golfing at the club with new acquaintances and longtime friends.
